UCS Holds Car Wash

Bennington, Vt. — Five bucks doesn't seem to go very far these days! But for only \$5, you can get your car to shine brightly.

You heard right! The Developmental Services program at United Counseling Service is sponsoring a car wash Friday, August 7 from 12:30 to 3:30 p.m. at the Atwood Building on 335 Dewey Street in Bennington.

Take advantage of the great weather and spend a few minutes over lunch. You'll drive away in a gleaming vehicle.

The car wash is a fundraising project of the peer support group at United Counseling Service and all proceeds go to support social programs and events for people with developmental disabilities, such as field trips, dances, camp-outs, movie nights, game nights, bowling, and socials.

By planning and doing fundraisers, members of the peer support group build their work skills.

So bring your cars and take advantage of the good weather. For only \$5 per car, drivers will be able to see their rigs shine.

UCS serves children, adults, families, and seniors through nationally recognized counseling, early care and education, and clinical support that changes lives. Visit www.ucsvt.org to find out more.
