

The annual bowlathon is the major fundraiser for *Mentoring at UCS*, a program which matches children with adult mentors. Our program makes a difference in this community. Higher grades, lower chance of substance abuse and an increase in self esteem are just some of the rewards in our program. Mentoring changes the lives of the youth we mentor, and in many cases it also changes the lives of our mentors. All dollars raised stay local to support mentoring in our community.

This year will be our 32nd annual bowlathon and our event theme is **sports!** Participants are encouraged to dress in their favorite team's attire and celebrate the day with friends, great food, games and prizes!

*Help us build a stronger community!  
Support youth mentoring in Bennington County.*
