

Do you want to open your heart and home to someone in your community with a developmental disability?

Consider becoming a shared living provider with UCS.

The shared living program at UCS provides safe and caring homes for adults with developmental disabilities in Bennington County through contracted shared living providers (SLPs). Providers receive a monthly tax free stipend and support as needed.

Learn more about neighbors in your community looking for a home:

-  38-year-old male looking for an active home with structure and a high level of supervision outside the home. Enjoys helping around the house and joining in on peer activities.
-  18-year-old boy, coming from New Hampshire. Needs a high level of supervision and active lifestyle. Enjoys watching videos and helping with household chores.
-  53-year-old female looking for an ASL proficient home. She is hearing and vision impaired and needs a patient provider knowledgeable in ASL. Enjoys coloring and always smiling.
-  61-year-old female looking for a quiet home with a female provider. Enjoys coffee and going for car rides. Loves animals and her baby dolls.
-  69-year-old female with some mobility issues looking for a quiet one story home. Active in the community and enjoys going out for coffee, coloring and watching TV.
