

VIRTUAL INTENSIVE OUTPATIENT PROGRAM

This program offers accessible, evidence-based recovery support for clients facing transportation, work, or childcare barriers.

No one should be alone in recovery — and now, no one has to be far from help.

Program Highlights:

- **Completely Virtual** – Access care from the comfort of home, anywhere in Vermont!
- **Open to All Vermont Medicaid Members** – If you have Medicaid, you're eligible.
- **Evening Group Sessions** – Join us Monday-Thursday from 2–4PM for supportive, interactive sessions.
- **Personalized Support** – Enjoy weekly one-on-one sessions and case management tailored to your needs.
- **Join Anytime** – Rolling admissions mean you can start when you're ready—referrals accepted year-round!

Ongoing Enrollment

Self-Referrals or Community Partner Referrals Accepted.
